You can now pay with the Reka-Card at over 3,000 public Selecta machines all over Switzerland.

Selecta vending machines are little lifesavers! They provide us with snacks whenever we're out and about and feel peckish. Cool soft drinks are a welcome refresher while hot drinks give us a boost and warm us up.

No cash in your pocket?

No problem, you can pay with the Reka-Card now (Reka-Check and Reka-Lunch forms).
